Waxworks

Waxworks

Your day at the Seaside has been full of fun and excitement up to now. You have been on the Roller Coaster, the Dodgems and all the other breathtaking rides at the Funfair. You have feasted on hotdogs ice cream seafood candy floss, hamburgers, fish and chips and lots of Coke! In fact you have had a ball!

Time now to slow down and take it easy for a while after all the excitement. The Waxworks looks like it might be interesting and it will give you time to make room for some more goodies when you come out.

It is lovely and cool and quiet in here. Oh! but I do feel sleepy I have eaten too much .. .. YAWN! —— ... Zzzzz... — .....
